June 2009

Lion President Don Hodges

## PRESIDENT'S NOTES FROM THE COOKIE JAR ...

Dear Lions ...

It seems like only yesterday that I began my year ... where does the time go? We have done such a wonderful job on our Lion's projects. Distribution of the dictionaries, the exam and eyeglasses program, collecting hundreds of used eyeglasses, highway clean-up with the help from Leos Club and Scouts. And, we support the U of M Eyebank and Health Clinic and made community contributions by doing lots of fund raising projects such as Tower Days, Festival in the Park, State Fair and Spaghetti Dinner.

Lions have continued to support our Irondale students through the scholarship program as well. I am so proud of our club. We show that the people of our community are very important to us.

We had lots of fun activities such as the club picnic, mid-winter convention, White Bear play outing and our trip to New Ulm. So many gave of themselves and spouses and family members jumped in to supported us too.

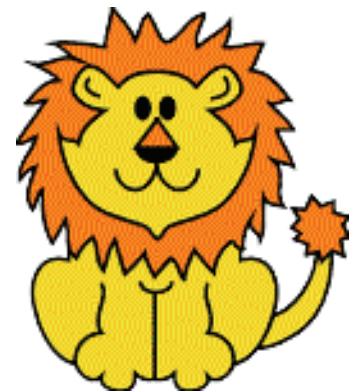

It's been a great Lions' year. Thanks for all your support.

"The Cookie Monster"  
Pres. Lion Don
